

Undercover Bride (A Year of Loving Dangerously) (Silhouette Intimate Moments, 1022)

Agent Rachel Grunwalds mission was to convince Caleb Carpenter, a man whose reputation was as devastating as his looks, that she should be his bride. The shocking truth was that Rachel was attracted to this powerful enigmatic man - even though he was a militant leader and an alleged killer! Then her suitor showed her a taste of passion, and Rachel wondered how she could win any war against Caleb when she had already lost her heart?
