

## At Her Beck And Call

Former stripper Autumn Beshkin is an urban girl eyeing a new profession. To climb this career ladder she's keeping her clothes on and taking an accounting job. Small-town living isn't as exciting as she's used to, but it's only temporary. Then she meets her sexy new boss, Mayor Mike Fields. The attraction between them steams up the office, and suddenly her visit here promises hedonistic pleasure. Luring the conservative mayor into some not-so-mayoral activities isn't difficult for a woman of Autumn's talents. And the results are sizzling! But just as she's eyeing the exit ramp out of town, Mike suggests turning this fling into a commitment. Is he--and his traditional town--really ready for the uncut version of Autumn?
