

## Invitation to a Wedding

You are cordially invited to a most dazzling and unforgettable event. . . .From the depths of broken dreams, Valentine Cummings harnessed grit, determination, and her unalterable belief in romance to launch Every Bride magazine--and she revolutionized an industry. Though inspiring her lovestruck readers to dream of romance, Valentine had denied love the chance to cast spells in her own life. How far must she climb, how hard must she fight, how much courage must she summon to seize her own chance at love, to claim the happiness that is rightfully hers and marry the man of her dreams?
