

## Thursdays in the Park

When Jeanie's husband leaves her without an explanation, she is furious and hurt. Taking her granddaughter to the park on Thursdays helps console her, and there, one day, she meets Ray and his grandson. Ray is kind, easy to talk to, and gorgeous. Jeanie starts to live for Thursdays. But does she have the courage, with opposition from all sides, to turn her life upside down for another shot at love? This recording is unabridged. Typically abridged audiobooks are not more than 60% of the author's work and as low as 30% with characters and plotlines removed.
