

Seducing the Accomplice

Socialite Sadie Mancini is a horrible judge of men. Case in point: her latest boyfriend has just abandoned her in Albania. Now, to her chagrin, Calan Friese, her sexy new protector, is a self-confessed killer, serious about terrorists and casual about women. Despite their sizzling chemistry, she knows she must leave him before he leaves her. But can she pull off a dangerous escape? To his surprise, the insecure daddy's girl has become braver, bolder and wicked with a weapon. Sure, she's a complication he wasn't counting on, but he enjoys keeping her safe. Perhaps she's just the kind of woman he can get serious about.
