

## His Unknown Heir (Mills & Boon Hardback Romance)

She committed a sin and hides a shocking secret. Ramon Velaquez, heir to the Velaquez winery, clearly stated his cardinal rule to Lauren Maitland - he can't promise her more than a red-hot affair. Whilst she heard the words, her heart wasn't listening, and her punishment for falling in love was to be sent away. Two years later, and Ramon still can't escape the memories of the woman he banished. But when he finds Lauren again she's independent, strong, and harbouring a shocking secret.
