

## Veterans Way (Harts Crossing, Book 2)

Compelled to move back to the comfort of his home town, Jimmy Scott returns to Harts Crossings, a small town with a big heart. And its just as he remembered. Then he bumps into an old friend-Steph Carlson, a childhood sweetheart he had once dreamt of spending the rest of his life with. Those dreams went unrealized when he went off to the Korean War, and they both ended up marrying others. Now Jimmy and Steph are both in Harts Crossing. And when Jimmy realizes that theyve both survived the deaths of their spouses, he begins to wonder what might have happened if only . . . As memories of their first kiss and innocent courtship flood back, Jimmy finds he still has feelings for this woman. Does she feel the same about him? Will they be able to rekindle what they had so many years ago? Or is it too late for a second chance at romance?
