

Beach Baby

What does it take to become a family? Nina Kennerly has a full life, but she's always regretted giving her daughter up for adoption and losing Reid Robertson, her first love. Now her grown-up daughter has found her - with her own baby girl in tow! - and Nina must face Reid again. Nina and Reid are determined to be there for their new family. But spending so much time together brings back a lot of complicated feelings. Are Nina and Reid just dredging up the past...or are they actually making a future?
