

Why?: Making Sense of Gods Will

When the ground shakes, and a poor nations economy is destroyed; when the waters rise, washing away a communitys hopes and dreams; when a child suffers neglect and abuse; when violence tears apart nations; where is God? If God is all powerful, and if each one of us is a beloved child of God, then how can God allow tragedy and suffering to infest his creation? When we lift our prayers to God, and no answer seems to come; when we earnestly seek to know the will of God for our lives, yet cant seem to discern it; when God seems far away; where is God? If God counts the hairs on our head, and knows every sparrow that falls, why is finding and understanding Gods will so difficult at times? In Why? Making Sense of Gods Will best-selling author Adam Hamilton brings fresh insight to the age-old question of how to understand the will of God. Rejecting simplistic answers and unexamined assumptions, Hamilton addresses how we can comprehend Gods plan for the world and ourselves. Chapters include: 1. Why Do the Innocent Suffer? 2. Why Do My Prayers Go Unanswered? 3. Why Cant I See Gods Will for My Life? 4. Why Gods Love Prevails
