

Bordering on Obsession

Just one night. That's all it will take to satisfy Maggie Miller's hunger for her boss, movie genius Quinn Scott. But how can she get him into her bed, when Quinn sees her only as his ever-efficient secretary? Then a masquerade party on his calendar gives her a wicked idea. A blue dress, a feathered mask, a French accent. When Maggie puts them on, she becomes a different woman. Someone shockingly bold, wickedly sexy. Someone Quinn cannot, will not resist. After spending the most incredible night of her life in Quinn's arms, Maggie realizes she's miscalculated. One night isn't nearly enough. And given Quinn's frenzied attempts to uncover the identity of his mystery lady, he's got it just as badly.
