

License To Thrill (The Magnificent Mccoy Men)

Marc McCoy-Secret Service agent extraordinaire. His mission: to stop the woman he loves from marrying another man. And to save her life, if she'll let him.

Melanie Weber-Marc's former partner and ex-lover. She's determined to give her unborn child a father. Even if it means giving up her own dreams.

Sexy-as-sin Marc McCoy has always relished the thrill of the chase. But this is the first time he's ever had to chase a woman. He can't believe his Melanie is getting married-and not to him! But little does Melanie guess that Marc's got a plan to get her back-for good. After all, he is licensed to thrill.
