

## Sapphire Sea: Third in the Tropical Temptation Series (Volume 3)

Christmas in Kauai wasnt on the menu until Lilli Roberts was fired from her job. A fiercely focused budding chef in Manhattan, she finds herself convinced by the charming Grant McGinnis to take over as head chef of his pub on Kauai for the month of December. Grant couldnt have found a feistier person to run his kitchen if hed tried, and he couldnt help but make it his mission to melt Lillis steely exterior and get to the molten center she keeps so hidden...all before her time on the island is over. On the cliff that overlooks the sea, Lilli and Grant must decide if theyll work together to make the McGinnis Plantation Pub a success, or if theyll combust in the kitchen and leave behind all theyve worked for.
