

A Cup of Comfort for Sisters: Stories that celebrate the special bonds of sisterhood

No one knows a woman quite like her sister does - no matter their differences, rivalries, or how far apart they may drift over time. Sisters confide in each other, share their most intimate secrets, and depend on each other for support and guidance when everyone else in their lives disappoints them. This unique collection celebrates the special relationship that only sisters share. The sisters in A Cup of Comfort for Sisters care for one another through good times and bad, providing advice and a reassuring hug when they are needed most.
