

Warrior For One Night (Silhouette Romantic Suspense)

Arsonist hunter Alexander Caufield was the best. Ruthless, relentless, he always found a way to uncover the truth. For years, he was obsessed with finding the firebug who framed his father. Now his investigation pointed to the Parrish family, and he wanted justice...and revenge. But when Xander met the bold, brash and beautiful Melody Parrish, it wasn't long before he fell for her, hard. A firejumper and daredevil pilot, the woman courted danger and, suddenly, he had a life-and-death decision to make. To set his father free, would he ruin the woman he loved?
