

Moving Day (Allie Finkles Rules for Girls)

Allie Finkle is ten years old. She's got two annoying little brothers, a best friend who cries a lot and a dog called Marvin. She's also got a bunch of rules most of them, like don't get a pet that poops in your hand only having been discovered through bitter experience. In this funny, fast-moving series, Allie makes (and breaks) rules all over the place as she deals with everything that life can throw at her. In *Moving Day* Allie's parents announce that the family's moving to a creepy old house in town. With a room she's half-scared to go into, the burden of being the new girl, and her old friends a car ride away, how will Allie ever learn to fit in?
