

Love, Coast To Coast/Mistaken Engagement/Memories of Love/Second Chance Island/Ice-Breaker/No Rescue

Travel coast to coast with five romantic tales from Jenny Schwartz, the master of Coastal Romance, now available as one digital volume. In *Mistaken Engagement*, after a disastrous fake engagement, the Australia Day long weekend down at Graces family beach house is the perfect time to show everyone that Grace and Saul are friends, with not a broken heart between them. But can a fake engagement become life-changingly real? In *Memories of Love*, when her family home burns down, its the final heartbreak for Rita Jordan. Her boss, Ivan Novak, steps in, offering her his home and his help. But Ivan has his own demons, and although hes interested in Rita, theres darkness in his past that could cause her harm. In *Second Chance Island*, Laura Robertson is working at a tropical resort on the Great Barrier Reef, biding her time and nursing her wounds when her ex-lover Phil Cooper arrives on Topaz Island. Shes spent her whole life fighting to save the reef, and her time on Topaz Island fighting for her self-respect. Does she have enough left to fight for a second chance? In *Ice-Breaker*, Kiara and Selwyns first encounter is dramatic, and their attraction instantaneous. But Kiara has commitments, dreams, and plans - and Selwyn doesnt fit into any of it. But hes not willing to give up on the chance at love, so he plans a second encounter just as dramatic. Maybe all they need for a chance at real love is a break from real life. In *No Resuce*, after a tragic incident, Miri Blair has escaped to Sydney, and the anonymity of a friends apartment. Then, one day, she finds herself acting out a Romeo-and-Juliet balcony style scene with Sergeant Tad Robertson of the Water Police, who dares her to risk living again. Will she have the strength to move away from her past and towards a future with Tad?
