

Whirlwind Reunion

Seven years ago Matt Baldwin's ladylove rejected him, leaving town with his hopes and dreams. He vowed never to be a one-woman man again. But now he's about to cross paths with his beautiful heart stealer. Dr. Annalise Fine is glad to be back in Whirlwind, but she has no intention of mending fences with the sexy cowboy who branded her a liar until she finds him beaten up in her clinic. She'll clean his wounds, but it'll take more than a bandage to fix their shattered bond.
