

## Waiting for Baby

Lilly Russo is thrilled--and terrified--to be pregnant. First its a bit of a shock that her brief affair with the owner of Bear Creek Ranch, Jake Tucker, led to a new life growing inside her. But there are complications. Shes worried about being a mom, but shes even more concerned about Jake, already a busy single father of three girls. And now hes proposing to turn their brief affair into a permanent arrangement. Running his ranch and raising three daughters is enough to keep Jake on his toes. But hes determined to do the right thing by Lilly. Can their relationship grow from a fling into love--considering theres a baby at stake?
